SUMMARY

Motivated and detail-oriented individual with strong analytical, problem-solving, and communication skills. Quick learner with the ability to adapt to new technologies and work effectively in team environments. Passionate about continuous learning and committed to delivering high-quality results. Seeking an opportunity to contribute to organizational success while developing professional expertise.

SKILLS

Programming: Java, OOPs, Collections, Exception Handling, Python
Web Technologies: HTML, CSS, JavaScript, Responsive Web Design, React, API, Node.js, Express.
Database: SQL, MySQL, MongoDB
Tools: Git, GitHub, Vercel
Soft Skills: Problem Solving, Critical Thinking, Team Collaboration, Communication, Adaptability, Teamwork, Leadership

PROJECTS

- ResumeAI | Personal Project** , AI Resume Analyzer
- Built an AI-powered resume analysis platform that evaluates ATS compatibility and identifies missing keywords and skills.
 - Developed resume-job match scoring and personalized recommendations to help users improve resume quality and interview readiness.
 - Tech stack: HTML, CSS, JavaScript, Git, GitHub.
- FRAMETHEORY | Personal Project** , Creative Studio Website
- Designed and developed a responsive creative studio website with smooth scrolling, interactive animations, and portfolio showcase sections.
 - Implemented glass morphism UI, mobile-first responsiveness, and contact functionality to improve usability and presentation.
 - Tech stack: HTML, CSS, JavaScript, Git, GitHub.
- Friction Stir Welding of Aluminum Alloys | Academic Project**
- Researched the effect of welding parameters on joint quality and mechanical properties of aluminum alloys.
 - Performed tensile testing, hardness testing, optical microscopy, and SEM analysis to evaluate results.
 - Strengthened analytical, research, and technical documentation skills.

WORK EXPERIENCE

- Apprenticeship,** 07/2022 – 06/2023
Rastriya Ispat Nigam Limited, Vizag Steel Plant
- Supported equipment inspections, process monitoring, and troubleshooting to improve operational efficiency.
 - Recorded and analyzed production data for quality control and compliance reporting.
 - Assisted in metallurgical testing and material evaluation, strengthening analytical and documentation skills.

EDUCATION

- BTech in Computer Science,** 08/2024 – Present
Dadi Institute Of Engineering And Technology College
CGPA: 7.91
- Diploma in Metallurgical Engineering,** 11/2020 – 01/2024
M R A G R Government Polytechnic College
CGPA: 6.86
- High School,** Kendriya Vidyalaya NAD 2020
CGPA: 6.26

CERTIFICATES

- Android Developer Virtual Internship
- SQL
- Generative AI: Prompt Engineering Basics
- DataBase Management System
- Java Full stack development
- Maximize Productivity With AI Tools
